

# SPIN Step-By-Step Guide

**1** Log into Online Banking or the Freedom Bank mobile app.

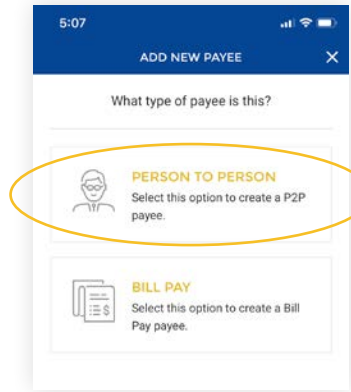

**2** Click on **Move Money**.

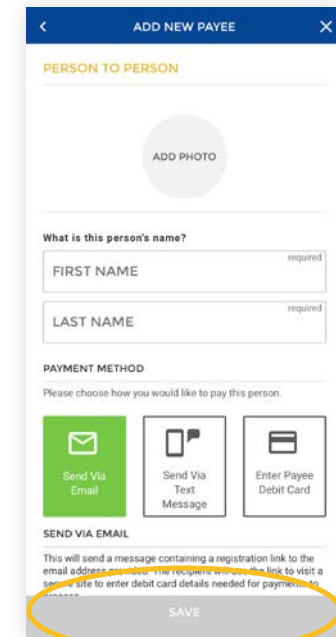

**3** Navigate to the **My Payees** tab, then click the **+** icon next to My Payees.

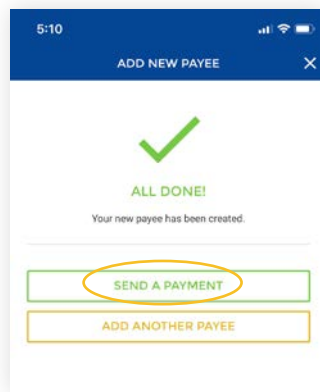

**4** When asked “What type of payee is this?” select **Person to Person**.

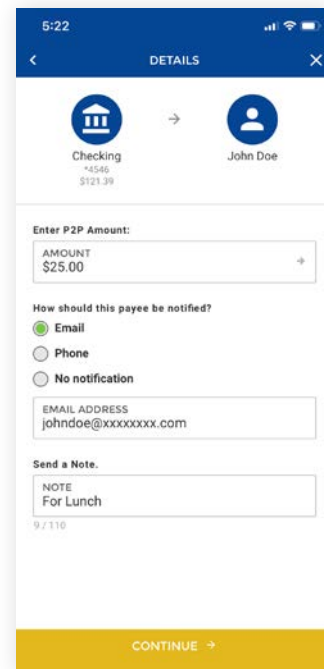

**5** Enter your payee’s info and their debit card number. You can also send a text or email invite for your payee to enter their debit card number themselves. Click **Save** at the bottom to save your payee’s info and preferred payment method.

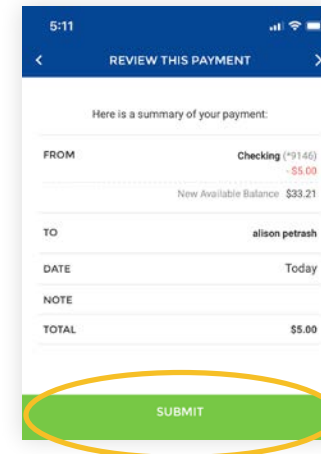

**6** Now you can use SPIN to send money! Click **Send a Payment**.

**7** Enter the amount you would like to pay, then select how you would like your payee to be notified.

**8** After clicking **Continue** you’ll see a screen summarizing your payment and how it will affect your account balance. Click **Submit** to confirm the payment.

**9** You’ve successfully sent money using SPIN! Click **Close** at the bottom to exit.
